Businesses are invited to join the Department for Business and Trade (DBT) for a trade mission to Turkchem Eurasia 2024.

Primarily open to chemical producers and manufacturers in the North of England*, a limited number of spaces are also open to businesses based elsewhere in the UK.

The mission programme will provide you with an exclusive package of support, designed to facilitate connections with key buyers and decision-makers in the chemicals industry from Turkey and beyond.

By joining this delegation, you will:

- Gain a better understanding of the chemicals industry in Turkey
- Participate in B2B meetings with potential buyers
- Attend an exclusive networking reception at the British Consulate
- Receive pre-mission support, including a pre-mission and an in-market briefing
- Build your knowledge and gain industry insights at a leading chemicals exhibition
- Receive a discounted rate at a preferred hotel

About Turkchem Eurasia 2024

Since 2006, the Turkchem Exhibition has been the meeting point of local and international sector professionals. With the motto of "Everything About Chemistry", the event offers a unique platform to establish new business contacts and discover the latest developments in the chemical industry.

Held every two years, Turkchem Eurasia is now among the world's leading chemistry events and has attracted over 12,000 visitors from 88 countries in 2022.
